CytoFruit® Waters BIO⁹⁹

Description:

100% biologically active waters

✔ Tested efficacy: better than distilled water

CytoFruit® Waters showed active performances on:

- ✔ Life: higher cellular vitality than distilled water
- ✔ Protection of cell vitality versus external aggressions:
 - Oxidation (H₂O₂),
 - UV rays (small stimulation)
 - Pollution (heavy metals, Cr, Fe, Pb)
- ✔ Improvement: better modulation of anti-inflammatory mediator TNF-α for higher physiological protection vs. chemical agent

✔ CytoFruit® Waters: discover the Nature's Best

Share the benefits of innovation coming from Mediterranean fruits:

Bergamot: beauty cleanser, relaxing and toning, achieving a clear and flawless skin

Green Mandarin: turn away the stress with lenitive and soothing benefits

Red Orange: cocktail of nutritive components providing a tonifying effect

Other available references: Clementine, Grapefruit, Kiwi, Lemon and Sweet Orange

✔ **REACH (EU regulation):** complies

✔ **Eco-certification:** complies

✔ **Origin:** complete traceable Mediterranean origin

✔ **Typical dosage:** like distilled water, from 20% (foundation) up to 90% (lotion)

✔ **Suitable for:** natural cosmetics, natural make-up

✔ **Applications:**

✔ Skin & body care: emulsion (milk & cream), micellar water, lotion, serum, gel, emulgel

✔ Toiletries: shampoo, conditioning, bath shower, liquid soap

✔ Make-up & fragrances: color foundation, mascara, body mist
