

# LIPOTIN® DB

wetting and dispersing additive for solventborne coatings

## Special features

- for solventborne formulations
- suitable for pigment concentrates and for direct grinds (with binder)
- ensures proper wetting and stabilization of inorganic and organic pigments
- solvent-free

## Recommended addition level

- architectural coatings
- industrial coatings
- (litho) offset printing inks
- pigment concentrates
- gravure inks
- UPE resin filling compounds and laminating resins  
As supplied calculated on total formulation: 0.7 - 3.0 %

## Processing instructions

- Stir before use!
- Close container immediately after use. Material is light-sensitive.
- Add to the grind before dispersion.

## Chemical description

soya lecithin

## Technical information

- |                         |   |
|-------------------------|---|
| - appearance            | hazy liquid (Phase separation may occur during storage of the product, but can be remixed by stirring. The application properties of the product are not affected.) |
| - active matter content | 100 %   |

## Registration status

LIPOTIN® DB respectively its ingredients are listed in the following chemical inventories: AICS, DSL, ECL, EINECS, IECSC, PICCS, TSCA, NZIOC, TCSI.

All intentional ingredients are listed on the DSL (Domestic Substance List) inventory or have been notified pursuant to the NSN (New Substances Notification) regulations.

All intentional ingredients are listed on the TSCA inventory or comply with the TSCA Polymer Exemption criteria according 40 CFR 723.

Further information on regulatory topics can be found on the Regulatory Data Sheet.

All intentional ingredients are listed on the ECL inventory or comply with the Polymer Exemption criteria.

All intentional ingredients are listed on the PICCS inventory or comply with the Polymer Exemption criteria.

## Packaging

204.12 kg steel drum with cover

## Storage stability

When stored in an original unopened packaging between -40 and +25 °C, the product has a shelf life of at least 24 months from the date of manufacture.

This information and all further technical advice are based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried out only by qualified experts in the sole responsibility of a customer. Reference to trade names used by other companies is neither a recommendation, nor does it imply that similar products could not be used.
